

Declaration of permission by the main occupant/owner

The main occupant/owner needs to complete and sign this form.

Please note:

When submitting this declaration, you must enclose/present the following documents:

- a valid form of identification for yourself (the main occupant/owner)
- the rental contract or purchase deed for the residence.

Make sure that the name, address, starting date and signatures are stated in the pages of the rental contract or purchase deed for the residence.

The main occupant/owner is asked to provide a declaration so that it is clear to whom the main occupant/owner is granting permission to be registered at his/her address. A false registration can have an adverse effect on various allowances, parking permits etc.

This form may not be sent to the municipality under separate cover. It is meant to back up a change of address declaration.
